Where science meets consciousness...

The Inner and Outer Everyday Hero's Journey Exploring the Personal, Transpersonal and Universal Pathways

with **Ingrid Falk**

There are many profound symbols and images which speak to the mysteries of who we are and what we are. One of the most compelling metaphors is The Hero's Journey. *Ingrid Falk* will explore the everyday hero's journey of discovery on the personal, transpersonal and universal pathways. Do you know your mission(s)? Your Superpower(s)? Your Mentor/Nemesis? Your hidden treasure? All of these answers and more are within as you take your leap of faith into the unknown as your destiny awaits. Let's meet and compare notes on our everyday hero's journey - aka The Great Adventure of Life on Planet Earth.

Ingrid Falk is an advanced metaphysical student who has studied many spiritual modalities including dowsing, hypnotherapy, astrology, Enneagram, Tarot, Angels/ETs/orbs, Feng Shui, Reiki and reincarnation, with an infinite curiosity to address the biggest questions that we all ponder. She has done presentations on Most Benevolent Outcomes (MBOs), Ho'oponopono, Synchronicity, ETs, and New Science of Stress.
