

BioGeometry Advanced Training

Presented by Robert J. Gilbert, Ph.D.

October 5 - 9, 2019 - \$1,295 - *Pay Early by September 5, Only \$1,195*

FMBR members may pay \$1195 until September 21

Country Inn & Suites, 1350 North 4th Street, San Jose, 95112

The BG Advanced Training is offered as a 5-day intensive where you will learn many new BioGeometry tools, plus highly advanced Energy Balancing and Design Principles.

New in this training for 2019:

* New Standardized and Updated Manual

* Five New BioGeometry Tools added: Brain Stands; BG Space Harmonizer; BG Sub-Planes of Nature Strip and Balancing Card; BG-28 Energy Balancing Disk.

See Below for full listing of the remarkable Topics, Tools, and Methods you will learn in the BioGeometry Advanced Training!

Ten New Methods & Principles you will learn in this Class:

1. Advanced Energy Balancing of Locations: Direct and Layered Solutions
2. The "Hekhou" Sounds of Power from Ancient Egypt
3. The Forming Process of Disease
4. BioNumerals: Adjust the Energy Quality of a BioSignature for Optimal Power
5. BG3 Energy Balancing Sounds for the Human Chakra system
6. Physics of Quality of Electro-Magnetic Waves
7. Bi-Location: Balance the Human Energy Field by connecting to Distant Locations
8. The Power of Silent Sound
9. Protecting the Human Energy Field through Positions of the Physical Body
10. Three Types of Time Energetics

Twelve New Tools you will learn in this Class:

1. BG Dial: Tune in the Optimal Energy Quality to Energy Balance any Source
2. BG Corner Stand with Dial: Tune the Balancing of Earth Energy Lines
3. Material Balancing Wheel: Make any Material emanate Beneficial Energy Qualities
4. Hemberg Emitter: Tremendously Important Tool used to Balance Energy Disturbances at a Distance
5. BG Earth Scepter with Dial: Tune into and Transform Deep Earth Energies
6. Brain Stands with Dials: Tune the Human Brain Hemispheres for Profound Transformation
7. BG Space Harmonizer Stand: High-Power Balancing Energy for any Location
8. BG-28 Energy Balancing Disk: A "Self-Operating" Breakthrough Tool for Detecting and Balancing Problems in any Energy Field
9. Human Archetype Ruler: Use the Hidden Pattern from the Egyptian Temple Walls to take a "Subtle Energy X-Ray" of any Person, Place, or Thing
10. Planes of Nature Strip: Detect and Direct Energy on every Plane of Nature
11. Sub-Planes of Nature Strip: Detect and Direct Invisible Energies on every Sub-Plane
12. Multi-Dimensional Sub-Plane Clearing Card: Create Deep Clearing of any Energy Field

Fifteen Advanced Design Principles you will learn in this Class:

1. BioGeometry Corner Treatments: Replace Detrimental "Poison Arrows" with Beneficial Energy Qualities
2. BG Modular Design System: How to Make any Design Automatically Create High-Intensity, Beneficial Energy Qualities
3. Essential Methods to Balance the Energy Key within Rooms
5. Harmonizing Geopathic Gridlines with Wall Placements
6. The 3-Dimensional Energy Key (The Torus Energy Pattern of Time and Space)
7. Shape Modifications to Energy Balance Openings to a Room
8. BG Rings Principle (Creating "Gold Zones")
9. BG3 Degree of Arc Principle
10. BG3 "Rays" Principle
11. BG Tangent Line Principle
12. Advanced "BG3" Generating Numbers
13. "Secondary Numbers" Principle for Optimal Energy Balancing
14. Multi-Dimensional Planes: How they invisibly manifest in Physical Space
15. How to Create a 3-Dimensional Energy Grid & Power Spot (including descriptions of how this was done in Ancient Egypt)

Prerequisite: Completion of the BioGeometry Foundation Training, and being in good standing with BGES. This training is available only to graduates of the BioGeometry Foundation Training.

*Full Week intensive seminar: \$1295 - *Pay by September 5, Only \$1,195*

FMBR members may pay \$1195 until September 21

Register and pay Now with FMBR **PayPal** - For Questions, email info@fmbr.org

BGAT graduates may re-take the course for \$599 *Register here*
